Terrain, map and courses

Terrain

Kubija (sprint): the tracks run along the tracks of the Kubija sports center, the landscape is forested, with small differences in height, close to the city with a dense network of roads.

Haanja (middle and long distances): the tracks run on the trails near the Haanja ski stadium. The maximum height difference is 40 m. There are both forested and open areas in the terrain.

Map

Ski track network made by Tõnis Erm and Taivo Timmusk. Map scales will be announced in Bulletin 2.
